Panaji, 20th August, 1985. — The Executive Engineer, Sd/-.

Industries and Labour Department

Mormugao Port Trust

Notification No. 5-GA/(14)/84

In exercise of the powers conferred under Section 124(2) of the Major Port Trusts Act, 1963 (38 of 1963), the Board of Trustees of the Port of Mormugao hereby makes the following regulations for registration of contractors: —

i) These regulations may be called the Mormugao Port Trust Regulations for registration of contractors.

ii) They shall come into force on the date on which the Central Government's approval to these regulations has been published in the Official Gazette.

Scope of the regulations:

(a) The appended regulations for registration of contractors will be applicable to all contracts for works executed by the Chief Engineer's/Chief Mechanical Engineer's deptt.

(b) The Chief Engineer/Chief Mechanical Engineer will issue a public notification in Scheduled newspapers notifying the Trustee's intention to the revised procedure and also invite applications for such registration simultaneously giving about two months for the contractors to apply. The Chief Engineer/Chief Mechanical Engineer will scrutinise the applications and obtain sanction of the competent authority to registration. The scheme will be brought into effect thereafter. Such notification shall be repeated after every three years even though the process of registration will be continuous.

(c) Even after the registration system as per these regulations comes into force the usual publication of tender notices shall be continued. Tender copies will however, be issued only to the contractors registered in the categories eligible to quote for such works as per notification and those in higher class. If any unregistered contractor wishes to purchase the tender copy he will have to apply for registration and pay 100% of the registration fees. If after the scrutiny of his application he is found suitable for the class for which tenders are invited, his tender will be considered alongwith other tenders, otherwise his tender will be ignored.

(d) No tender form shall be issued or contract given to any person, syndicate or firm whose name is not borne on the Register of Approved Contractors referred to in 'Regula-

tions for Registration of Contractors' without the orders of the CE/CME.

Provided that if on invitation of tenders, no registered contractor tenders and the work cannot conveniently be undertaken departmentally it could be permissible for the CE/CME to give it to an unregistered contractor or a contractor registered in the lower class of that category after re-inviting tender openly and without restrictions.

Note 1: When re-invitation of tenders is necessitated due to the receipt of high tenders, it is open to the CE/CME to re-invite tenders openly from registered as well as unregistered contractors, provided that the high tenders received at the first call are rejected first by the CE/CME.

Note 2: If re-invitation of tenders is not found to be feasible due to the extreme urgency of the works, the contract should be negotiated but such negotiations should be carried out only with the registered contractors in the appropriate class and category.

1: Classification of Contractors:

The contractors are classed according to their financial status and technical capacity. The classification, solvency required, registration fees, officer competent to sanction registration etc. are shown in the following table:

Class minimum	Solvency	Capable of executing work of the value (i. e. the estimated cost of the work put to tender)	Average annual turnover	Estimated cost of work in hand	Authority competent to sanction registration	Registration fees payable Rs.
A 1	Rs. 10 lakhs	Without limit	Rs. 30 lakhs	Rs. 1.00 crore	Chairman	100
A 2	Rs. 5 lakhs	Upto Rs. 1 crore	Rs. 20 lakhs	Rs. 30 lakhs	CE/CME	100
A 3	Rs. 3 lakhs	Upto Rs. 60 lakhs	Rs. 10 lakhs	Rs. 20 lakhs	— do —	100
B 1	Rs. 1.5 lakhs	Upto Rs. 30 lakhs	Rs. 4 lakhs	Rs. 10 lakhs	— do —	100
B 2	Rs. 1 lakh	Upto Rs. 10 lakhs	Rs. 2 lakhs	Rs. 5 lakhs	— do —	75
C	Rs. 50,000	Upto Rs. 5 lakhs	Rs. 1 lakh	Rs. 2 lakhs	— do —	50
D	Rs. 20,000	Upto Rs. 2 lakhs	Rs. 40,000	Rs. 80,000	— do —	50
E	Rs. 10,000	Upto Rs. 50,000	Rs. 20,000	Rs. 40,000	— do —	15

2: (Solvency):

No contractor may be registered without full enquiry as to his stability in regard to—

(a) Financial status supported by a certificate of solvency obtained from the Collector of the district or a banker's certificate.

Note 1: A solvency certificate shall not be accepted for the purpose of registration more than twelve months after the date on which it was granted.

Note 2: A banker's certificate which brings out the financial soundness of the contractor (to the extent required for the relevant category) shall be accepted. No distinction like scheduled or non-scheduled shall be made for this purpose.

Note 3: Solvency certificate in the name of a firm need not be insisted upon if such a certificate for the required amount in the name of one or more partners is forthcoming and it is made clear in the partnership deed that all the partners are jointly and severally responsible to meet all liabilities over and above the business of the firm.

(b) Professional capacity and reliability supported by certificates or recommendations of officers of Government or Public Bodies who have had personal knowledge of the applicant and his work.

Note 1: The experience gained by an individual partner in the execution of works in the past may be taken into consideration while deciding the category of the contractors if the partner concerned has to his credit execution of such works by virtue of monetary share and other interests. Experience gained merely as a servant may not count as proof of the capability of the firm as a whole.

Note 2: The Officer concerned recommending sanction shall ensure that the contractors have the required experience and that have undertaken works of sufficient magnitude justifying their competency to take up the works in the class in which they seek enrolment. If the criteria given in regulation 5 below is not fulfilled there would be no necessity for forwarding the application to the registered authority.

3: Procedure for Registration:

(i) For registration the contractor shall submit an application in the form given in annexure 'A' to the CE/CME for respective type of works. The application shall be accompanied by a declaration that the contractor shall abide by all the labour laws and rules in force from time to time besides the necessary documents referred to in the regulation 2(a) and (b) above.

The CE/CME shall get the solvency certificate submitted by the contractor duly vetted by the Finance Department before proceeding with registration formalities.

(ii) The contractor applying for registration shall pay 50% of the registration fees which will be non-refundable along with his application form for the class in which he intends to get himself registered. If his application is accepted, he shall pay the remaining 50% registration fees within two weeks from the date of receipt of intimation of acceptance of his application.

(iii) If as a result of the scrutiny of the application a particular contractor is not found suitable for the class for which he has applied for registration, the concerned authority may consider his application for registration for a lower class in which case a separate application, for registration will not be required.

Note 1: The CE/CME shall fix a day on which he will personally examine the application and if the application do not contain complete information, call the applicants and explain to them what is required and return the applications for resubmission.

Note 2: Every change in partners and leading technical employees will be intimated by the contractor to the registering authority forthwith.

4: Additional Qualification for Registration:

If any of the contractors are specialised in one or more distinct types of works mentioned below, the fact should be noted against their name in the register of approved contractors:—

1. General Engineering (which includes building works and other works like sanitary and water fittings of buildings which do not require specialisation).

2. Steel structural work and other building work including sanitary and water fittings not requiring specialisation.
3. Water supply (including construction of water purification plants).
4. Drainage.
5. Pile foundations for buildings.
6. Special asphaltic works.
7. Marine structures.

Such specialisation shall be treated as an additional qualification though there shall be no attempt to restrict the competition only to those who are specialised in the particular line.

5: Upgradation of Contractors:

Promotion from one class to another is permissible on payment of the difference in the registration fee. Such promotion should be made on merits by the competent authority taking into account the cost of works in hand the annual average turn-over etc. as specified under regulation No. 1.

Note: Subsequent to the initial registration in a particular category, applications for upgrading to a higher category will not be considered unless the contractors have carried out some work or works of the Port Trust or of corporate or public bodies in a category in which they were registered earlier.

6: Undertaking to Employ Qualified Engineers:

At the stages of initial registration, contractors who desire to be registered in A-1 and A-2 class, shall give an undertaking that they will employ engineers who have passed the qualifying examination as may be directed by the CE/CME. If they fail to give such an undertaking, they will not be granted registration in A-1 and A-2 classes.

7: Exemption of Ex-Servicemen:

A retired member of the Armed Forces desirous of starting business as an approved contractor may be registered in 'E' class on obtaining from him a simple application supported by a certificate of his having served in the Armed Forces and solvency certificate alongwith registration fees.

8: Exemption for Graduate and Diploma Holders:

The graduates and diploma holders in Civil engineering who have passed the qualifying examination and have obtained respectively the degree and diploma from the recognised Universities and Institutions may get themselves directly registered in 'D' or 'E' class by applying in the prescribed form to be accompanied by a degree/diploma certificate and solvency certificate and on payment of necessary registration fees. They shall be exempted from the payment of (i) earnest money and (ii) security deposit to the extent of 50% of what is normally due in each case. In respect of remaining 50% of the security deposit, a nominal amount of 1% of the estimated cost subject to a minimum amount of Rs. 100/- shall be recovered initially and the rest by a prorata deduction from bills.

Note:—The above concession will be available for a period of 5 years from the date of passing the respective degree and diploma examinations.

9: Exemption for Co-operative Society:

A labourer's co-operative society shall be given registration in D and E classes on its applying in the prescribed form accompanied by a certificate from the Registrar of Co-operative Societies regarding its capacity and financial resources in lieu of solvency or banker's certificate, a certificate of professional capacity from the officer of the Government or Public Body in whose division it has carried out works and necessary registration fees. Such registration will be valid for a period of 3 years, from the date of issue of orders provided the society remains registered with the Registrar during the period and shall be renewed on production of a fresh certificate from the Registrar regarding its capacity and financial resources before expiry of the validity period.

10: Review of Register of Contractors:

A register of approved contractors shall be maintained by the CE/CME in his office in the form prescribed in Annexure B. The register shall be examined by the CE/CME on

1st July each year and at other times, if found necessary on report of specific failure or default by a contractor and if he considers that the financial circumstances or technical capacity of a contractor has so deteriorated that he ought to be removed from the register or placed in a lower class, he may proceed to do so after calling on the contractor to state within a stated time as to why the action as proposed should not be taken against him. Action as taken should be intimated to all concerned. Whenever a contractor is either removed from the approved list or down graded to a lower class he will not be entitled to any refund of registration fees.

Note: The Executive Engineers shall report confidentially in the form prescribed in Annexure C to the registering authority on 1st June each year cases of contractors who are habitual bad workers and create obstruction in the working of the project to enable that authority to take this into consideration at the time of review or renewal of their registration. The report referred to above shall be in a narrative form and made for a contractor under all categories of registration.

11: Validity of Registration:

The registration once done on merits will be valid for a period of 3 years from the date or order sanctioning the registration irrespective of the date of issue of registration certificate by the concerned authority on payment of balance of the registration fees. The contractor should get the registration renewed for a further period of 3 years on production of fresh solvency certificate of appropriate category before expiry of its validity. If he fails to do this, the registration should be treated as cancelled and he should be asked to apply for de novo registration.

12: Fulfilment of Special Requirements:

Special requirements such as electrical licences, plumbing licences etc. which may be required for particular categories of work like electrical installations etc. will have to be fulfilled by the contractors whenever such special works are involved.

13: Cancellation of Registration:

The names of contractors who have not tendered for any works for a period of 3 years and those who having tendered failed to secure any contract during the period of 5 years in the Port Trust should be removed from the register of approved contractors. The CE/CME shall review the registration effected by him every year for taking action for removal of reduction of contractors.

For facilitating such scrutiny, the contractors should be required to submit to the CE/CME an annual return ending April every year in the form prescribed in Annexure D with remarks regarding performance from the Executive Engineers in whose division the contractors undertook the works shown in the return. The annual returns in the case of all contractors shall be submitted to the CE/CME by the concerned Executive Engineers.

Note: As there is possibility of contractors omitting from the return, works where performance is not satisfactory, the officers should take the following precautions:

Whenever it is observed that the performance of a contractor is not satisfactory and some action towards his down-grading or removal from the particular category is necessary the concerned Executive Engineer shall report in detail the matter to the CE/CME for taking necessary action. The authority competent to register contractors in a particular class would also be competent to order deregistration or reduction of the class.

14: Facility for Registration:

If a contractor whose name has been removed desires to take up contracts subsequently he should apply for re-enrolment on payment of the prescribed fees. Such applications shall be considered on its merits.

15: Exemption from Payment of E. M. D.:

The contractors may, if they so desire, deposit an amount as per scale prescribed below, with the Trust, and secure exemption from the payment of earnest money after executing the necessary bond in the form given in Annexure 'E' which should be submitted to the CE/CME for record. This will exempt the contractor from payment of earnest money with each individual tender if he produces a copy of the bond

ANNEXURE 'C'

(Referred to in note below regulation 10)

Confidential Report of Contractor

Name and address of contractor	Class
1. Does he pay the security deposit in prescribed time?	
2. Does he start the work promptly after the issue of work order?	
3. Does he maintain the progress of work as per agreement/as per the programme mutually agreed?	
4. Does he pay proper attention to maintain the quality of work and materials?	
5. Does he work in co-operation with departmental staff?***	
6. Are there any complaints from the labourers or petty suppliers regarding non-payment of their wages or bills? Does he pay fair wages?	
7. Does he show any tendency to create extra items and claims, which are non-acceptable or imaginary?	
8. Does he use materials issued as per schedule 'A' properly or is there a tendency of pilferage or improper storing?	
9. Tendency to quote unbalanced or un-workable rates in the tender (i.e. very high rates for some items and low rates for others).	
10. His capacity — General organisation of work and resources?	

***Does he carry out instructions of site officers promptly and properly?

ANNEXURE 'E'

(Referred to in Regulation 15)

Form of bond to secure exemption from payment of Earnest Money

KNOW ALL MEN BY these presents that we, the under-signed Note (the name of the contractor/firm executing this bond) carrying on business as Engineers and Contractors and being registered Contractors (hereinafter referred to as 'the Bounden' are held firmly bound into the Board of Trustees of the Port of ... (hereinafter referred to as 'the Trustees' which expression shall unless the context does not so admit include his successors and assigns) in the sum of Rs ... to be paid to the Trustees for which payment will and truly to be made we bind ourselves and our successors executors, administrators & representatives firmly by these presents duly signed by us this ... day of ... 19 ...

WHEREAS the above named Bounden is bound as per the terms and conditions of tenders issued by or on behalf

of the CE/CME's deptt. of the ... Port Trust for the work/s that has/have to be executed for the said department/s to pay to the Trustees Earnest Money for all work/s tendered or to be tendered, in future by the Bounden during the period of ... years from the ... day of ... 19 ... (hereinafter referred to as 'the period').

AND WHEREAS as per Regulation ... of ... the Bounden will be exempted from the payment of Earnest Money along-with the tender/s that may be submitted by them if the Bounden deposit with/deliver to the concerned deptt. (hereinafter referred to as the CE/CME for and on behalf of the Trustees in cash a sum of Rs. ... / Government Securities of the market value of Rs. ... and executes a bond in favour of Trustees in the form prescribed therefore being these present.

AND WHEREAS the Bounden have delivered to/deposited with the CE/CME in the account of the Trustees standing in the name of the Chief Engineer/Chief Mechanical Engineer a sum of Rs. ... in cash or in the form of National Saving Certificates, Interest bearing securities, Postal Saving Bank Pass Book, Fixed Deposit accepted, units of Unit Trust of India, etc. specified in the list thereunder written of the market value of Rs. ... for the purpose of securing exemption from the payment of such Earnest Money to the Trustees in respect of the work/s; tendered or to be tendered by them.

NOW THE CONDITION of the above written bond is such that if during the said period the Bounden shall be given the work or works tendered for by them if the security required for the proper execution of all the said work or works according to the agreement or agreements entered into with the Trustees in that behalf during the continuance of the aforesaid exemption is duly paid by them separately to the Trustees according to the terms of the said agreement or agreements, then this obligation shall be void and of no effect. Otherwise it shall remain in full force and virtue PROVIDED ALWAYS and it is hereby declared and agreed to by the Bounden with the Trustees that the deposit of Rs.... so made as aforesaid shall be and remain the said account of the Trustees as earnest money for the purpose aforesaid with full power to the Trustees or the officers and servants of the Trustees duly authorised in that behalf from time to time as occasion shall require to forfeit the same alongwith the interest thereon or part thereof as is equal to the amount of Earnest Money payable alongwith the submission of that particular tender, on the happening of any of the events on account of which under the terms and conditions of the said tender the Earnest Money is liable to be forfeited and to appropriate the same and in the event of any such forfeiture being so made the Bounden shall within ... days of the date of any such forfeiture deposit in the said account a sum sufficient to make up the said deposit of Rs. ... either in cash or in the form of National Saving Certificates, interest bearing securities, Postal saving bank pass book, Fixed Deposit accepted Units of Unit Trust of India etc., of the market value of Rs. ...

It is hereby further agreed and declared by and between the Bounden and the Trustees that in the event of the Bounden claiming for the refund of the above lump sum deposit, the said deposit or such part thereof as has not been forfeited as aforesaid shall be refunded to the Bounden provided that necessary certificate from the CE/CME has been duly obtained to the effect that no amounts are outstanding against the said Bounden in connection with any work done or tendered for by the said Bounden in the ... Division of the port trust. PROVIDED ALWAYS that the return at any time of the said deposit or any part thereof shall not be deemed to effect the right of the Trustees to take proceedings against the Bounden in case any breach of the conditions of the aforesaid agreement or agreements shall be discovered after the return of the said deposit or a part thereof PROVIDED FURTHER that if, the Bounden do not duly pay the security deposit as required to be deposited by them for the proper execution of all the said work or works as per the agreement entered into with the Trustees during the continuance of the aforesaid exemption as aforesaid or if the aforesaid deposit of Rs. ... is less than the amount of Earnest Money Deposit to be paid with a particular tender, the Trustees or the officers and servant of the Trustees duly authorised in that behalf from time to time shall be entitled to effect the balance of the recovery towards Earnest Money Deposit from any other dues payable to the Bounden by the Trustees.

IN WITNESS WHEREOF the above named Bounden have hereto set their respective hands and the CE/CME has for and on behalf of the Trustees of the Port of ... set his hand and affixed his official seal hereto the day and year hereinabove written.
